CHECK-IN
ENTRANCEMAIN CAR
PARK**FACT**

Lambs are born
around 145 days
(or about 4.5 months)
after the ewe falls
pregnant.

CAR PARK
EXIT**FACT**

Ewes (female sheep)
are very caring mothers
and have deep bonds
with their lambs. Each
mother can recognise
her lambs by their
bleats alone.

**WIN**

Win a farm
experience to get up close
and personal to our lovely
new-born lambs at
Hadlow College!

Don't forget to pick up your
treasure hunt map from
the Careers stand in the
Lambing Shed and join
in the fun!
